MetaCast® MCX Inspire Colours™

Colour is everything when it comes to personalising your vehicle. That is why we came up with Metamark Inspire Colours™. These colours were developed to reproduce some of the most desirable OEM paint colours from leading manufacturers.

These colours are annotated in

¹ Zone 1 - Vertical exposure under Northern European conditions. For other regions and climates in regards to material external weathering, please refer to our full Durability Guide found on our website. All information stated is correct at time of creation.

² Matt finishes 1520mm width
